Re: Question #13 Relative to the Veiled Prophet Organization

Kevin:

I received the attached note from the Director this morning, which should be sufficient to respond to the question raised by Senate Staffer [redacted] with me after the closed session of the Senate Select Committee Hearings on 4/9/87.

[redacted] and I agreed earlier that it would be best to handle this informally between the OCPA staff and [redacted] rather than dignifying this with a formal response to the Committee.

Pursuant to our conversation today, I would appreciate it if [redacted] or a member of his staff would convey the substance of the attached to [redacted] Please confirm with me when this has been done so I may properly annotate the original.

Thanks.

MEMORANDUM TO [redacted]

RE: QUESTION #13 RELATIVE TO THE VEILED PROPHET ORGANIZATION

I resigned from the Veiled Prophet Organization in 1978. The organization has subsequently admitted black members. The organization annually sponsors a parade and fair on the 4th of July on the St. Louis Gateway Arch waterfront. Over four million people attended the fair in 1986. It also sponsors an annual ball for daughters of members.
